

Energy Star Certification

Paramount Coils certifies that the metal roof panels listed below are "Eligible Colors" that qualify for the tax credit allowance through the Energy Star Program.

Qualifying Applications

- The original use of the panel commences with the taxpayer
- Panels are installed on the roof of the taxpayer's principal residence
- The residence is owned and used by the taxpayer at the time of installation
- The residence is located in the United States
- The residence must qualify for any and all current and future restrictions
